WHAT YOU RECEIVE

Clear scope
Tracked execution
Premium documents + portal

WHAT CLIENTS GET

Requirements checklist

A written, case-specific list of documents and next steps.

Submission-ready document pack

We prepare drafts and keep your pack ready for filing and review cycles.

Milestones + payment plan

A clear plan aligned to delivery, with receipts/invoices issued as needed.

Status updates

Progress visibility with next actions, without overwhelming internal details.

Portal access

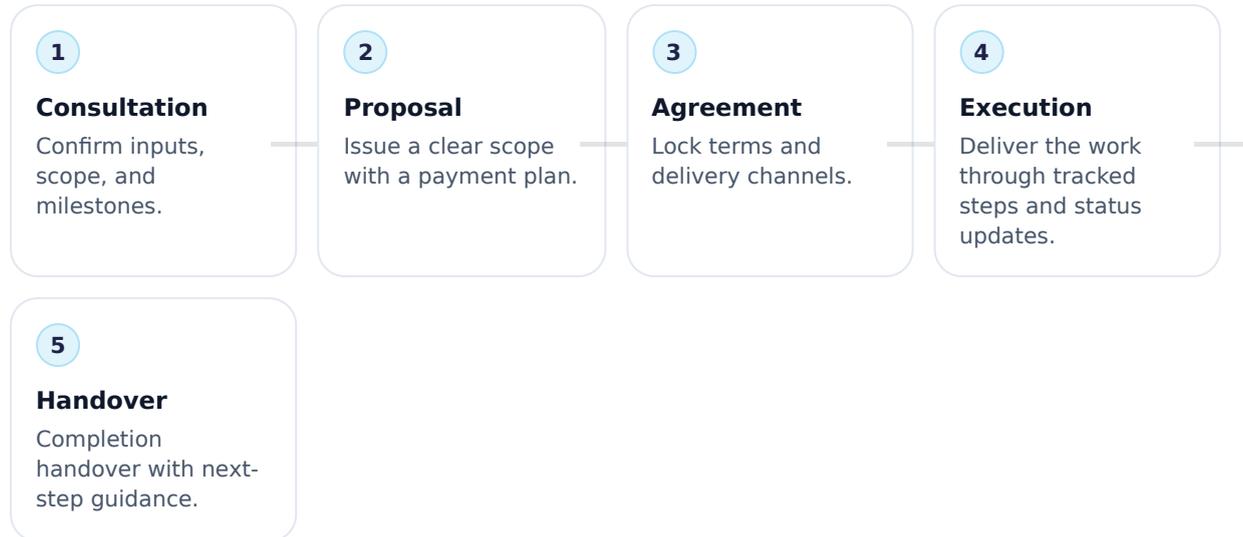

Your documents and updates live in one place for easy download.

Completion handover

A clean handover with guidance on what comes next.

HOW WE DELIVER

This is a simplified client view designed to feel consistently progressive.
